W. F. Adams of Ogden Will Take His Place.

A CHANGE IN DIRECTORS.

Henry Phipps, the Pittsburg Steel King, is One of the New Directors-Changes in Utah National.

The stockholders of the national banks of this city held their annual meetings yesterday afternoon as prescribed by law, and elected boards of directors. In some instances the new boards met later and elected the bank officers for the ensuing year. There were changes effected in some of the banks, but the most marked one was that of the National Bank of the Republic, which not only changed its board of directors but acquired a new eashier. At the meeting of the stockholders of this bank, E. Kahn, W. E. Smedley, H. L. A. Culmer and Ed. W. Duncan retired from the board of directors and their places were filled by Henry Phipps, the Pittsburg millionaire, Thomas Kearns, J. C. Lynch and T. B. Milner. The finanical backing of the institution is greatly enhanced by the acquisition of these gentlemen, as two of them are able to recken their means by the millions and the other two have substantial fortunes. The new board met later when the resignation of Ed. W. Duncan as cashier was accepted, and by unanimous vote W. F. Adams of the Utah National bank of Ogden was elected in his place.

Mr. Adams has had a banking career extending over twelve years. During that time he has won the confidence of men who have had dealings with him. He has always been successful in his management of the affairs of the bank with which he has been connected, and the directors of the National Bank of the Republic feel that they have been fortunate in securing the services of Mr. Adams. He is about 35 years of age, and will assume his new place here as soon as he can straighten up his affairs in Ogden, which will be perhaps about two weeks. There was no change made in the other officers of the bank, being Frank Knox, president; Geo A. Lowe, vice president, and the other directors were Frank Knox, George A. Lowe, G. S. Holmes. Stephen Hays and

the real estate and insurance.

DESERET NATIONAL BANK.

The stockholders of the Deseret met in the afternoon and re-elected the board of directors which is as follows L. S. Hills, William W. Riter, James Sharp, John R. Winder, D. H. Peery, Moses Thatcher, W. H. McIntyre, George Romney, John R. Barnes, John C. Cutler, E. R. Eldredge, David Eccles,

A. W. Carlson.

The bard will meet next Tuesday to elect the officers. There is not the least doubt but that the officers will remain as they now stand.

UTAH NATIONAL,

At the Utah National bank a change was made in the board of directors.
W. H. Dale, Gill S. Peyton and W. H.
H. Spafford retired from the board and
their places were filled by John De Grey Dixon, the state treasurer, George A. Smith and R. S. Campbell, the other members were re-elected. They are: James M.Dart, Henry W.Brown, Frank Y. Taylor, Jonathan E. Openshaw, W. S. Chipman, B. G. Raybould and George Sutherland. Each man elected received 816½ votes except Mr. Dart who re-ceived ten less. The board met late this afternoon, re-elected the officers and installed John De Grey Dixon as an assistant in the bank. THE COMMERCIAL.

The board met later and re-elected the officers of the bank and declared the regular semi-annual dividend of 3 per cent. The officers of the bank are George M. Downey, president; Thomas Marshall, vice president; John W. Donnellan, cashier.

BANK OF COMMERCE.

An election was held at the Bank of An election was held at the Bank of Commerce yestderday afternoon, and the following board of directors was elected: W. W. Chisholm, J. D. Kendall, Samuel H. Field, E. E. Rich, Boyd Park, E. B. Critchlow and J. A. Cun-ningham. The one change is the re-tiring of Boyd Park from the board and putting E. B. Critchlow in his place. Mr. Park is the cashler of the bank and he thought the duties of that position alone were arduous enough withou any adidtional work. The board held a meeting late this afternoon for the purpose of organization. It is not apprehended that any change will be made in the officers of the bank.
